3. CTC represents and warrants that it is a Wisconsin corporation licensed to provide wireless Telecommunications service in the State of Wisconsin, and that its adoption of the Agreement will cover the State of Wisconsin only.
4. CTC's adoption of the Agreement shall become effective on January 1, 2009 upon WWTC's filing of this letter with the Commission and shall terminate pursuant to Section 8.1 of the Agreement.
5. In Section 3.3 the OCN for CTC shall be changed to 283F.
6. The Parties agree that CTC may route traffic indirectly to WWTC in accordance with Section 4.4 of the Agreement.
7. At the end of Section 14.2.1 add to the end of the last sentence "... except as provided in Appendix B."
8. In Section 15.10.1 the CTC 24-hour contact number shall be changed to (715) 458-1825.
9. Appendix B. Section IV. The InterMTA Traffic Factors shall be changed as follows:

Intrastate	0.0%
Interstate	0.0%
Land-to-Mobile Traffic	
Subject Traffic	100.0%

11. CTC and WWTC agree to replace Appendix BI. with the following upon completion of provisioning the Interconnection Facilities as provided in Appendix AI. and item 10 above:

I) Charges for Transport and Termination

a) Per terminating minute of use. \$.0245

b) This rate is reciprocal and symmetrical for Subject Traffic exchanged between WWTC and CTC and applies for all Subject Traffic MOU's Transiting at the Elk Lake Tandem to be terminated at a WWTC End Office Switch except as described below in Section IV.

12. **Appendix A III Shared Facilities Factor** shall be changed to:

Mobile-to-Land Telecommunications Traffic	00.0%
Land-to-Mobile Telecommunications Traffic	100.0%

13. The Agreement as amended shall be subject to any and all Applicable Law, rules, regulations or guidelines that subsequently may be prescribed by any federal, state or local governmental authority. Notwithstanding the provisions above, to the extent required by any such subsequently prescribed law, rule, regulation or guideline, the Parties agree to modify, in writing, the affected term(s) and condition(s) of this Agreement to bring them into compliance with such law, rule, regulation or guideline.

14. The following shall be added to Appendix B:

VI. Reciprocal Compensation-Net Billing

Each month during the term of this Agreement WWTC will bill CTC the net amount of terminating compensation due to WWTC based on the rates and billing factors in this Agreement. To calculate the net amount due, the number of mobile-to-land minutes of use delivered by CTC to WWTC, directly and indirectly, (rounded to the nearest whole minute) will be reduced by the number of land-to-mobile minutes of use delivered by WWTC to CTC, and the resulting net minutes of use will be multiplied by the applicable rate to arrive at the net amount due WWTC. Mobile-to-land minutes of use will be based on actual minutes of use delivered by CTC for termination by WWTC as measured by WWTC. Land-to-mobile minutes of use will be based on actual minutes of use originated by WWTC for termination by CTC as measured by WWTC. If WWTC cannot measure the originating minutes of use terminated to CTC, land-to-mobile

minutes of use shall be calculated by dividing the total number of Subject Traffic minutes of use delivered by CTC for termination by WWTC by the mobile-to-land factor of 70% and multiplying the results by the land-to-mobile factor of 30%.

In the event the Subject Traffic terminated on the Parties respective networks is de minimis such that the Reciprocal Compensation-Net Billing, as described above, is less than 5,000 minutes of use per month the Parties agree that WWTC will not bill CTC for Reciprocal Compensation.

The mobile-to-land and land-to-mobile billing factors ("Billing Factors") shall not be revised during the first twelve (12) months of this Agreement. Thereafter at the request of either Party the Billing Factors may be mutually adjusted based on actual traffic studies, but in no event more frequently than one (1) time annually. The requesting Party will provide the supporting documentation to the other Party before the Billing Factors will be adjusted. In the event of a dispute regarding the adjustment of the Billing Factors, the dispute will be resolved to the provision of Section 14.0 the ALLTEL Agreement. Each Party agrees to provide available detail billing records in conjunction with any adjustment.

Please indicate WWTC's agreement to the provisions of this letter by signing three (3) original copies of this letter on the spaces provided below on the following signature page and return to Rick Vergin at CTC Telcom, Inc., 401 South First Street, P.O. Box 664, Cameron, Wisconsin 54822.

Sincerely,

Rick Vergin
Chief Executive Officer
